

AMB – Ambulance Medical Billing
Online Authorization for Payments

The Ambulance Medical Billing Website (the "Service") is an on-line bill viewing and payment service provided by Ambulance Medical Billing and its licensors, including Acryness, Inc. (collectively, "Licensors").

Please read this Agreement carefully before accessing or using the Service. By accessing or using the Service, you agree to be bound by the terms and conditions below. If you do not accept the terms and conditions of this Agreement, you may not access or use the Service. Ambulance Medical Billing may modify this Agreement from time to time, and such modifications shall be effective immediately upon posting of the modified Agreement. By continuing to access or use the Service following such modifications, you agree to be bound by the modified Agreement. Ambulance Medical Billing has no obligation to notify users of the posting of a modified Agreement.

Payment Services: By accessing the Service, you authorize Ambulance Medical Billing (1) to establish and maintain your payment authorizations and (2) to process your payments according to your instructions.

Types of Payments and Payees: You may use the Service only to authorize the payment of bills owing to Ambulance Medical Billing. Payments that you authorize will be made from a bank or financial institution account (the "Transaction Account") that you designate. It is your responsibility to establish and maintain the Transaction Account and to pay any and all fees associated with the Transaction Account.

Timing: By providing Ambulance Medical Billing with a payment authorization under the Service, you authorize Ambulance Medical Billing to charge the Transaction Account to remit funds on your behalf to pay your bills owed to Ambulance Medical Billing. It is your responsibility to make timely payment authorizations, so that the funds will arrive at Ambulance Medical Billing before the date on which they are due. You should submit all payment authorizations to Ambulance Medical Billing at least three (3) business days before the actual due date for the bills (not the late date). "Business day" means any day other than Saturday, Sunday, a federal holiday, or any other day on which banks in the United States are not generally open for business. You shall bear the risk and the responsibility for paying any late charges or penalties resulting from the late receipt of any payment made under the Service; provided, however that Ambulance Medical Billing agrees to waive late charges and penalties resulting from late receipt of payment, in the event that your payment authorization was made more than (3) business days before the actual due date and the payment is late solely due to Ambulance Medical Billing's failure to promptly process your payment authorization.

Responsibility of Ambulance Medical Billing: Ambulance Medical Billing will use all reasonable efforts to process all your payment authorizations promptly and properly, provided the authorizations are actually received by Ambulance Medical Billing. Ambulance Medical Billing will not be responsible for any failure to process a payment authorization that is not actually and completely received by Ambulance Medical Billing for any reason, including user error, equipment malfunction, natural disasters or impediments, or inaccurate or incomplete information.

If Ambulance Medical Billing does not process a payment request on time or in the correct amount, Ambulance Medical Billing will be liable for your losses, but in no event shall Ambulance Medical Billing's liability exceed the amount of the affected payment authorization. However, Ambulance Medical Billing shall incur no liability fees if it is unable to complete a payment authorization initiated by you because of the existence of any one or more of the following circumstances:

1. The Transaction Account does not contain sufficient funds to complete the transaction, or the transaction would exceed the credit limit applicable to the Transaction Account.
2. You have not provided Ambulance Medical Billing with correct names or account information.
3. Circumstances beyond Ambulance Medical Billing's control (such as, but not limited to, fire, flood, or interference from an outside force) prevent the proper transmission of your payment authorization and Ambulance Medical Billing has taken reasonable precautions to avoid those circumstances.
4. Ambulance Medical Billing fails to receive a full and complete payment authorization.
5. You have made any false or materially misleading statement or representation in connection with any payment authorization.
6. The bank or financial institution maintaining the Transaction Account refuses or is unable to honor a payment request from Ambulance Medical Billing.

Bank or Financial Institution Limitations: In using the Service, you are requesting Ambulance Medical Billing to make payments for you from your designated Transaction Account. If your bank or financial institution is unable to process a transaction (for example, there are not sufficient funds in the Transaction Account to cover the transaction, or if funds in the account are unavailable for any reason), the transaction may not be completed. There may be limits or restrictions upon the number or frequency of payments that may be made from your Transaction Account under applicable law or under the terms of your agreement with the bank or financial institution maintaining the Transaction Account. Ambulance Medical Billing's obligations under the Service are subject to any such limits or restrictions, and Ambulance Medical Billing has no duty to notify you of any such limits or restrictions.

Why am I being charged a fee for the use of my credit card? Merchants who accept credit card payments as a courtesy for their customers are charged processing fees from the credit card companies. Due to increasing fees to process credit card transactions, we must charge a convenience fee to cover the costs of our third-party processing company.

Is the convenience fee refundable? The convenience fee is non-refundable, even if the payment to which it relates is canceled, refunded, credited or charged back.

DISCLAIMER OF WARRANTIES: Ambulance Medical Billing IS PROVIDING THE SERVICE "AS IS" WITHOUT ANY WARRANTY OF ANY KIND, EXPRESS OR IMPLIED, INCLUDING, WITHOUT LIMITATION, THE IMPLIED WARRANTIES OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, AND NON INFRINGEMENT. AMBULANCE MEDICAL BILLING DOES NOT WARRANT THAT THE SERVICE IS ERROR-FREE, OR THAT ACCESS TO AND USE OF THE SERVICE WILL BE UNINTERRUPTED OR ERROR-FREE.

LIMITATION OF LIABILITY: IN NO EVENT SHALL AMBULANCE MEDICAL BILLING OR ANY LICENSORS BE LIABLE FOR ANY INCIDENTAL, INDIRECT, SPECIAL OR CONSEQUENTIAL DAMAGES ARISING OUT OF THE DELIVERY, PERFORMANCE, OR USE OF THE SERVICE, WHETHER INCURRED BY YOU OR ANY THIRD PARTY, EVEN IF AMBULANCE MEDICAL BILLING OR ITS LICENSORS OR SUPPLIERS HAVE BEEN ADVISED OR MAY OTHERWISE KNOW OF THE POSSIBILITY OF SUCH DAMAGES. Some jurisdictions prohibit exclusion or limitation of liability for implied warranties or consequential or incidental damages, so the above limitation may not apply to you.
